## EDUCATION

### Bachelor of technology

BSA College of Engineering and Technology, Mathura

08/2019 - 2023

#### Courses

- Computer Science and Engineering

### Intermediate school

KDS international school, Mathura

04/2018 - 03/2019

#### Courses

- Project - DC generator

### High school

Amarnath vidhya asharm senior secondary school, Mathura

04/2014 - 03/2015

## PERSONAL PROJECTS

### Hotel Management

- Hotel management system is a simple project designed using Java and Netbeans with MySQL database connectivity.
- The main feature of this project is to manage booking, customers, service, payment, rooms and hotel.

### Roadmap

- This project is designed using Servlet & Jsp and Netbeans with MySQL database connectivity.
- This project was built keeping in mind the interest of engineering students to help to prepare in their coding.
- This project is combining the coding questions of various sites such as gfg, leetcode, codechef etc.

### E-commerce Website (10/2022 - Present)

- This project is designed using Servlet & Jsp and Netbeans with MySQL database connectivity framework hibernate.
- This project is e-commerce website developed as a business model to sell and purchase any item as per the niche.
- Customer can browse the online book store by category (e.g. Health, Success, Business, Programming, etc) or they can search books by providing a specific keyword e.g. 'success habits'. The customer can view basic information about a book like title, author, description, ISBN number, publish date and price (in USD). In addition, he or she can read reviews of other customers as well as average rating of a book, which can be ranged from 0 to 5 stars.

## SKILLS

C

JAVA

JSP

MYSQL

JavaScript

Bootstrap

Servlet

HTML

CSS

Python

Bootstrap

Data Structures and algorithms

## CERTIFICATES

### web development

Neumann's Institute of computer studies

### Java (core)

Neumann's Institute of computer studies

### Java(Advanced)

Neumann's Institute of computer studies

### Python

Neumann's Institute of computer studies

## LANGUAGES

### English

Full Professional Proficiency

### Hindi

Full Professional Proficiency

## INTERESTS

Coding

Learning new technology

Web development

Meditation

Solving Problems
